\* Measured at widest point.

\*\* Prices effective September 1st 2019

Please call for prices on larger sizes and alternative wood species.

Due to delcining availability and rapidly rising prices and availibility of South American Mahogany and Redwood, we are adding Spanish Cedar to our wood choices. This wood has higher decay resistance and is less expensive than South American Mahogany and we feel it is an attractive alternative. It looks quite similar to Mahogany and like Mahogany it is harder and denser than Redwood

## SHIPPING

Shipping unless otherwise arranged is via U.P.S. Ground Service. If you wish, we can inform you of packing and shipping charges before shipment.

## DISCOUNTS

Quantites are discounted as follows: orders totaling more than \$500.00 deduct 5%

## CUSTOM ORDERS

We are happy to turn your custom profiles for a small setup charge. We can also turn our stock finials in custom woods and/or sizes. A %50 deposit is required on all custom orders.

## RETURNS

Stock finials can be exchanged or returned within 30 days provided they are in new sealable condition. Custom orders or finials that have been modified in any way will not be approved for return.
